Scheme directs that after repairs, &c., the almspeople and exhibitors should be first paid in full; payments to school preacher to abate if income insufficient. Scheme contains directions as to keeping accounts, and as to accumulations of surplus income; when this has reached a certain amount a petition is to be made to Court as to application. Portions of estate have been sold and proceeds invested in Funds and in real estate. Stock includes 150 l., left by Thomas Botfield. The exhibitions are confined to day-boys, and are unappropriated. Consols held by official trustees. |               |
